Jews and Christians believe that Jesus was the Messiah of Israel - peace be upon him - returns Zoroastrians are waiting for the return of Svshyant. All of these are general purpose, the direction and guidance, and save mankind from ignorance and error are unity. We may be small affairs and some features have different views. All followers of divine religions believe that in a time of global crisis that is rife with corruption and oppression, the savior of the emergence of large global peacemaker and the chaotic situation in the world and justice reform will expand. Although the global peacemaker who has what features, and what is his name, and attributed to one nation and religion, disagree.

Introduction

From the old days and, according to ancient belief, human society and lead to a saving faith and are waiting for this character .melt oppressed and the oppressed nations to an inability to control the wicked in their subconscious mind always save You used to have a day to stand up and the unjust oppression of the page to wipe out the world and the world with justice and equity returns. A nation that has been more oppressed, in his opinion, the Savior has been stronger, as some of the king to deceive the public and the throne they once were, as Sutter (softer), the Savior gave to her. In Christianity, Judaism, Zoroastrianism, Hindi and Buddhist groups Hand the savior and kill many expected. According to the emergence of this conductor rooted in the natural desire of the oppressed people are actually suffering in the hope of resurrection of the Savior in our hearts the peace.

Siri short on ideas of these communities, clear and certain that all the thoughts and ideas of the noble source is the source of revelation. But in some remote areas that radius less twisted the truth is, in the history of the light is reduced and only a general overview of promise instead been promised. This way, good luck with the emergence of global peacemaker always in the hearts of God's worshipers, and all divine messengers and ambassadors have promised her heavenly appearance

This article is about the belief in the Promised One and savior of the world from the viewpoint of religion Moslehi Zoroastrianism, Judaism, Christianity, and access to the world's image of the world under the rule of the Messiah, is the heart and soothing instrumental awakened heart be depressed.

Define issues

Mahdi literally, taken from the fake source Mahdism that his word is the name attributed from the Arabic word al-Mahdi. Mehdi words in Arabic from the perspective of morphology, object name, Triad single, incomplete root and the concubine, Hyde, Huda, is driven. M word lexical meanings and the term literally means someone who is guided by God and participle from the root to the leading Huda and two times in the Qur'an as agent, lead conductor means used. (Moen, 1985, vol. 1, p. 1172) One in verse 53 of Seurat al-Hajj, who says: "And Allah LadAllyn to the straight path"; but God guided the believers to the right path. In verse 30 of Surah al-Furan and another that says: "Barb aprons Hayat and Nyssa"; only God to guide you and help and Yarty enough.

The meaning of the term Mahdi, the owner is required to come in the near future and fill the world with justice and the.

Mechanism is used in schools of thought that believe in the end of times and expect its dominant characteristic is the Savior. As Christians know that Christ promised Savior and Zoroastrians Saoshyants.

Muslims, both Shiites and Sunnis accept Mahdi, and that in the end a man named Mahdi comes and the world is full of injustice and oppression, will be full of justice. But Sunni and Shia Mahdi recognize a person who was born and has been recognized to Mahdism.

Global consensus on the appearance of the Messiah

In general, today's debate as the belief in global reformer in terms of Futurism "futurism" applies provided that each of the religions and beliefs and starts his belief in it have been expressed.

Futurism, the belief in the end of times and is a great savior and global peacemaker. belief that the divine cults, Zvrastryanysm "zoroasterianism" (Zoroastrianism) and, "judaism" (the Jewish religion) and three major religions are Christianity Catholic and Protestant, Orthodox and all claims as originally granted and undeniable prophecy and unanimously considered it necessary that Moslehi and his books have glad tidings.

So fans of the future of humanity abound. All schools and heavenly religions, have a positive attitude about the future, and the future have to believe and say that the future is bright, motion-inducing, evolution and humans moving towards a positive future.

A contemporary thinkers, "says Dawn over thousands of years and never has been an error, but it's true that when Strand dawn, the dawn of our freedom from fear and bondage of fear, it's a secret!" (Berenjian, 2003, p. 7)

Following the developments in the 81 and 19th century, Western scholars of capitalism - capitalism devoid of religion and ethics, were oriented to the socialist camp and thought that socialism can be dry and lifeless burden of the capitalist system is the right answer But after nearly a century of experience, again came under extreme socialism death and communist thought, after decades of rule over much of the world, turned to destruction.

Middle and intellectual rule of the holy fathers, the pursuit of the most important factors on the people swinging west of religion.

In this era, the relationship developed nations and geographical integrity may have been attacked and telecommunication networks and computer gradually been replaced. The international pressure values into oblivion leave school. World restore and liberate humanity from all adversity

Mahatma Gandhi (1869-1948 AD), the leader of India's freedom. "If the world fails to universal single day comes, I do not have any desire to live in it." (Gandhi, 1977, p. 214)

According to reclaim the world in the shadow of a single global government that is headed by a man righteous and perfect, has a long history. "Plato" the Greek philosopher, is planning an ideal society in which not a trace of oppression and not of misery. Plato's political end emergence of "Utopia" is. He's in his fifth book features the city's leadership says:

Come together in a single political force with wisdom ... that this is not done, we also debate a proposal that would not be considered, including the possibility to pass the stage born Nhd. (Plato 1976, S315-316)

As well as the rulers of his time, said:

"Among all human beings, there is even one person who is so good that he can be allowed to run their fellow human life." (Wise, 1995, p. 15)

Augusta Comte (1798-1857M) French scientist and mathematician at the end of life decides to describe his ideal state. He sought to establish a religion that worships humanity - that as a "big present" calls - it's on. Hence the attempt to present all religious traditions borrowed from the founders and the great men and their traditions gathered in this religion. According to the religion, the supreme governing body - that its members are elected - with the authority of religious, political, scientific and human destiny to lead. (Ibid., P. 11)

Bertrand Russell, English philosopher says:

"The world is waiting MOs Lehi that it brought under one flag and a banner." (Iranian, 2006, p. 16)

Einstein, the great scientist says

"The day across the world's peace and bring people together like brother and sister, are not far off." (Ibid. 17)

Bernard Shaw, the famous English philosopher in his book "Man and Superman" to the gospel of global peacemaker. Professor Mahmoud Abbas Akkad in his book "Bernard Shaw" In this case the fetus commented: "In our opinion, the Superman is not impossible Bernard Shaw and his words about the person of truth is constant (Ibid)

In short, the idea of a single rule and good governance of the world in the shadow of a long history and many scholars have pointed out, because human nature this issue in the even those in the rooted and'Anya to surrender to them have not school, the need for establishment of such a society have confessed. This belief is rooted in human nature and human life and not be wise to ignore the call of nature and nature itself. So do not accept the wisdom of the world continued to the end of his life is immersed in oppression. The emergence of international and global security agencies and the military, peacekeeping and education organizations worldwide, "UNESCO" in response to the need for the creation of a single global government that inner voice to all're looking at the same view and interests of all people Instead of looking at the world and trying to cope with treatment. Now, after considerable consensus among most religions and thinkers to the promised advent of globalization, the issue is somewhat more detailed look at the three great religions of the Book.

Zoroastrianism and Mahdism

Most Islamic scholars believe that there is a character named Zarathustra and although the characteristics of the Prophet's life and he suffered a doubt, but most historians of his Muslim disciples through the prophet Jeremiah or know dear. (Inspiration, 1994, p. 62)

Zoroastrians believe that centuries before Christ, (between 660 to 150 BC) Zoroaster was born 30 years after the revelation he has lost, from Aura Mazda - the name of God in Zoroastrianism - the prophet was chosen. (Pravda, 1999, p. 28) Zoroastrian holy book called "DinaAvesta" According to Greek historians were about two million bits. According to some sources, there were only two full versions of Vestal: one in the library of the royal palace and the treasures of the temple of the Persian pool "Azargoshastb" in Azerbaijan Shays. The first fire in the library, and the second was destroyed by Alexander Macedonian Greeks conquered the land, seized. (Businessman descent, thesis) Avesta means knowledge, and parts of it are: Yana, viscera, Yacht, Candida, in Vestal (Hume, 1999, p. 331) and that Poland exposition Vestal, the holy book of Zoroastrians. Vestal source of contradiction myriad of duality and unity is (success, 2000, p. 66) issue of contrasting light and darkness, the first day in the teachings of Zoroaster a rational principle of give-and later Zoroastrian priests it for double the worship of duality and two Gods Creator of good and evil, light and darkness have in respect to fire and worship, the basic teachings of Zoroaster has been coordinated with the code of ethics and how to monotheism. (Ali AsherHemet, 319), but its modern Zoroastrian monotheism know. Zoroastrianism also raised the issue of the Savior of the world and he promised to come are Zoroastrian.

Zoroaster believed that joined the two opposing forces of good and evil or light and darkness - one in the name of god Ahura Mazda or the light source and vast knowledge, and another source of ignorance and darkness of evil and corruption - are constantly struggling, until the Cushions the Savior of the world will emerge. And this in Instant finally ended with the utter defeat of evil and oppression, corruption and evil to be eradicated from the world in general (Development, 2006, p. 34)

In James, a disciple of sage Zoroaster James He's promised that before the advent of Cushions (Savior of the world) lies and perfidy and is particularly prevalent in the world and the people of God avoided, oppression and corruption and reveal the richness down It is, and it made the transformation of the world, and the groundwork for the emergence of favorable returns Savior. "The events that coincided with the appearance, are wonderful signs appeared in the sky and an indication of the reason" City of God "(aka Cushions savior of the world) is. And angels from East and West in his command are sent to the whole world sends a message. But those evil he denies implement false count and guards won the heavens and the earth in front of him down there. (Development, 2006, p. 36) in James a Goshutes King asks: When Cushions emerged how the Prosecutor's rule, and how the world will run and what is religion? James In response, he says Cushions valid religion in the world and does not need to waste Harriman opening lap, and the people of the world are the manners and speech and behavior. (ibid. 37)

Earthquakes are also a lot of young people are soon old and every one of their bad deeds and lofty happy, people are cruel to the good and to the bad religious people. (Ibid.)

In Vestal, ZamiaYacht, p. 98 reads:

He has power over other people, by looking forgiveness looks, with the wisdom to give eternal creature sees the world he knows best, right, and wiser than all the creature. (Poor David, 1998, p. 100)

Promised

Zoroastrians believe in the Savior in the future history. The savior is Cushions. Cushions roots "Sashay" means the interest and benefit of the profit made is that the concept of benefit.

In, Book IX, Chapter 58, paragraph 15 states:
Anika with a leader of that religion (Zoroastrianism) began, with a leader also Cushions ends and, in the end, the leader of the religion and the religious leader will be the last. (Mechanism, p. 51)
Helpers and guardians of religion "Zoroastrianism" process that redemption and rescue people from ignorance and oppression. That is frequently mentioned in Vestal that often emerge at the end of last - that emerged after the Resurrection he will be - has been named. According to Zoroastrian tradition, three thousand years of the life of the material world, the reign of Zoroastrian priest and his three sons, each coming from a thousand years of each other's existence in their circle. But their appearance in Vestal time has been set and only mentioned that in the end will come. (Moen, 1985, S823-824, following Svshyant)
All three of the Savior Zoroastrianism that they (Svshyant to read him the advantage and benefit to the material world, Vestal, April, para. 129) applies. The advent of the millennium, there will be a storm. The second coming millennium, Zahakis will exit. In the third millennium, the divine and the ultimate conquest of spiritual victory and defeat evil and is egregious. (Mostafavi, 1982, p. 25) third Svshyant unborn and new and at the end of the third millennium is the world's deliverer. (Ibid., P. 60)
In GATT, (composed of sacred Zoroastrian) Yana, Hot 46, paragraph 3 states:
When the "Mazda" morning rise, the world learn the true religion by increasing the teaching of intelligent liberators? Who are those who support them, come February? To convince me, you have chosen, of "Aura" (Poor David, 1999, p. 98)
This is another translation of Vestal, Yana, Hot 46, reads:

When Mazda will be the dawn of a brilliant victory in the world, who religion will shine everywhere, who will frequency and redundancy of light work and actions, spread religion. Now Svshyant to educate people and I stand I am a follower of Zoroastrianism, Ahura is. (H. May, 1995, p. 105)
This part of the Avesta, teaching for followers of Zoroastrianism to look forward to coming Svshyant or Saoshyants that new world and develop their faith.
In April Yasht other parts of the Avesta, paragraph 46 states:
Yshvd- Farhoosh - the spirits and forces of the righteous - will rush here to visit us, they would come to our aid when we are in dire straits his assistance to keep clear, with the support as Ahura Mazda. (Ibid.)
This item also represents hope and look forward to a bright future is the way.
And also in the vestal, the Yacht, Zamyadyasht has 1, Section 9-11 says:
Mazda created to honor our Far Kaylan powerful, highly praised the industrious, abstemious, working your chest that is superior to other creatures. That it Ahramzdast, with Aura Mazda created creatures construction, very good, very beautiful , pretty and attractive, very efficient, very bright, so they make new universe, great old, dying, , wearing, eternal life, eternal progressive and, in that when the dead rise again, to life He then went on immortality, then (Svshyant) comes to the world his desire not new. (Poor David, 1998, S331-332)
And also in the Avesta, the Yasht, Zamyadyasht the 3, paragraphs 21-24 says:
Mazda created to honor our Far Kaylan powerful, highly praised the industrious, abstemious, working your chest that is superior to other creatures. (Ferry) from which gods and spiritual world of the born Svshyant and new participants who are not born belongs. These are those who are asking the world to build a new world where obey the immortal truth ... for the glory and carpet ... (ibid., Pp. 334-335)
And in vestal section Yacht, Zamiayacht and 15, paragraphs 91-95 says:

Mazda has created Far Kaylan Praise be to our strong ... When Stott-RTA that ... in the end emerged with the advent of the resurrection of the dead he started, the life of the world to come ... mace ... of its enemy. Mace could push it lies. Of living beings "Asha" he would be seen with the eye of wisdom, will look very carefully to all of creation. Ugly lie ... the seeds of everything that is in the physical world, activist and seeker will look with your eyes. With care and attention, he will be wearing and everything in the material world is good; his friends will come forward with good thoughts, good speech, good work, good Dina, without speaking to lie, with their own language. (H. May, 1995, S341-342)

Jamasb in "Jamasb a" about the Prophet and the Mahdi - Jl God hasten his reappearance - and the return of some of the dead, "says the Arab prophet, and the prophets that are found in the mountains of Mecca and camel riding and camel riders of his people and the thing was to be his servants and slaves sit by and not shade him from behind like to see coming. He Ashraf religion religions. And the book he returns void all the books. And his government Task, the Persians Finally, it is the successor Pygmy is among the world's Mecca and his government attached to the judgment. (Avicenna Kerman, 2004, p. 26)

And also in this book:

Arabs from the land of the children of Hashem, a great man and a great head leg which was the religion of their ancestors with much on the Iranian Revolutionary Guards and development, and the earth was filled with the (same)

Zoroastrians today

The craze to emerge promised and expected of them in addition to the Avesta of the Zoroastrians also manifested in prayer. They read the prayers and other rituals in contemporary time actually waiting to prove:

1. Read the prayer three times (AshAhura Mazda) that the first words of the first paragraph and 13, viscera and other acts, to the emergence of three promised Zoroastrianism and if the prayer is read well and properly, before they come to the world and the world are safer Bactra. (Brahimi, 2002, p. 113)

Messiah comes earlier. (Ibid., P. 117)

Judaism

The word means religious Jews to Judaism and religion is Moses. (Moen, 1985, German Jews)

Judaism, one of the great divine religions be the centuries before Islam, the Arabian Peninsula and appearance are common. In many books, including the Bible and the sources of Judaism is Judaism and the Jewish Torah led to believe that God revealed the Torah to Moses and scribes have written a commentary on the Torah, the Talmud (ie education and training and a complete set of rules and principles and rulings and verdicts of the scribes, which is compiled in 36 volumes. (Mash our, p. 142)

Torah has different sections and each section of the journey is called and each trip has a few of the pieces. Passion and inflammation promised apocalypse issue is expected at the rich history of his Judaism and the way and waiting for the coming of a savior, as faith is Judaism. This belief is rooted in their sacred sources.

The advent of the Messiah in the Old Testament evangelism

In the Torah, Genesis XVII states that:

And Abraham said to God, Oh that Ishmael live before you make! [God said to Abraham] As for Ishmael, I commanded you hear, now I will bless him fruitful and multiply him exceedingly. Twelve of his head to make him arise and a great nation.

This is good news to Abraham, the blessing of the Ismailia family tree because the Prophet of Islam and his twelve successors. (Berenjian, 2003, p. 25)

In the Torah, Isaiah, eleventh chapter says:

Seedlings come out of the trunk of Jesse, the branch will blossom and spirit will be upon him. The spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and fear of God, and delight in the fear of God he would be in favor of seeing his eyes, not his judgment. He will judge the poor with justice. And the reason for the meek of the earth will be truly warrant. Belt waist belt Mynas justice and integrity. (Jzabry, 2001, p. 87)

This Bsharaty promising signs of a bright future and pervasive security that aggressive nature, be compatible with humans, no ritual be eliminated from the earth, all human beings are God-paganism and idolatry forever the history of the school will be dismantled . As the Sunni and Shia Hadith of the Prophet - PBUH & HP Slallh - narrated about the reappearance of Imam Mahdi - Jl God hasten his reappearance - said:

Fila ground Qsta and Jura Dale coma and Zima nationality; fill the earth with justice and equity, so that is full of oppression. (Kandahar, 2006, p. 23)

Following the prophets of the Old Testament prophet Joel, that is, the gospel of the reappearance of Imam Mahdi and the descent of Jesus (AS) and the Israeli trial that fateful day when he stated:

Then all nations will be gathered into the valley of Jehoshaphat, where he landed with them about his people and for my heritage Israel, I will try. Because they have scattered among the nations, and parted my land and my people have lots and boy instead prostitute and sold a girl for wine to drink. (Clerical, 2006, p. 29)

World Messiah in the Psalms of David

Psalms of David, who joined the Old Testament and the Torah, the Jewish Bible and the Psalms of David the prophet NearestIn Psalm 37, God gives consolation to him that from the multitude of the wicked do not fear, because eventually they will destroy all was:

Because of the wicked, thou shalt not confuse her ..., For evil men will be cut off, but wait for the LORD will inherit the earth ... But the meek shall inherit the earth and will be of great Metz health ... because that But the righteous and the wicked will be broken arms and acknowledge God, God knows full days and will be their inheritance forever ..., wait for the LORD and keep his way to take you to the inheritance of the earth raises. When the wicked are cut off, you will see it ..., but all overseeing growers will perish error, and end the wicked shall be cut off, and the salvation of the righteous is from the Lord. (Berenjian, 2003, p. 26)

This is the good news that God says in the Quran, and with all the distortions and changes in the Torah and other books of the Old Testament is reached, there is still good news. God says:

"And kickingKuban per Alzbvr I later mentioned it Yoshi ground worship" (Anbiya, 106) and to research, after the (previous books) wrote in the Psalms, Behold, My righteous servants shall inherit the earth.

In Psalm 45, the seal of the Prophet - peace be upon him and his progeny - spoken and at the end says:

Instead of thy fathers, sons, and they will make them rulers over all the world. I will mention your name in all Durham, then the people will tell you thanks for ever and ever.

Torah, the Book of Psalms; Psalm seventy-second psalm Solomon:

In his time, the righteous will blossom and will be an abundance of health, as long as the moon. And he will rule from sea to sea and from the River to the ends of the world. Before him, the nomads will be neck and his enemies will lick the dust.... All kings will bow down to him and all nations will serve him. Because the poor cry, he will deliver the poor is not Hand. The needy and the poor will worm and said it will save the lives of the poor. Giddy their lives from oppression and their blood will be precious in his sight. And he will survive and gold "Sheba" (local name which is near the Red Sea, the Bible) will give him. He will constantly pray and bless him all day long to read ... and from cities like grass of the earth will flourish. His name will remain forever. His name will endure before the sun. He will ask for a blessing to other people and all the nations of the earth will call him happy. (Berenjian, 2003, p. 27)
And this is very clear references expansionist reformer and brilliant future of the world and the emergence of a great reformer and God's chosen reported.

It is expected from the Jewish point of view
Torah, the book of Daniel, chapter XII says:
And many of them that sleep in the dust of the earth will awake: some to shame and everlasting and put them to eternal inferiority. And the wise will shine like the brightness of the firmament, and those who lead many to righteousness, they will be like the stars forever Aliabad. But you, Daniel! The words, and seal the book until the end. Will move very quickly, and science will be added. (Development, 2006, p. 41)
The statement referred to the issue of return is the return of some believers, good-natured and Orchy ugly evil nature to the world, each the result of good or evil in this world to see.
In the Bible the prophet Habakkuk, chapter II, the issue will be addressed:
Although the delay, wait for it, because that will come and will not delay, but also gather all nations to himself, and all the people to provide for themselves. (Bible, Habakkuk the prophet of the Old Testament, chapter II)
The Quran also addressed this issue in two cases: "Say unseen, is God, then wait I wait with you." (Yun's / 20). "Wait, I too wait with you" (Jonah / 102)
In the Bible the prophet Zephaniah, the third-row 9 and 8, we read:
Wait because my goal is to gather nations and kingdoms provided I am, then I'll clean language to the Gentiles, to gather them to read God's name and serve him whole-heartedly. (Holybook)
The theme of the Quran also states: "me to a heart of worship and not given the slightest doubt."
In the Bible, the prophet Daniel spoke of waiting states:
Time is passing quickly, and science is progressing in this way, blessed are those who are waiting.
So the concept of waiting for the beliefs of Judaism is indisputable.

Contemporary Judaism

So that the prayers and the prayers of the Jewish community without waiting time and totally believe in them is a tangible example:
1. Desha words (prayers and supplications weekly and Jewish feasts, which consists of sacred words) is expected to come speak, and this means waiting and hoping for the eyes and the way they are reflected in their minds, in because the Savior and Messiah of him and says:

Our King! The resistance appears to us now because we are waiting for are your petty sentence (Krinsvn, 2000, p. 77)

2. Every year on the anniversary of the founding of Israel are Jews (fifth grade in Hebrew) held the solemn ceremony, and the ritual prayers recited and prayers, including the prayer?

We will be thanks to him that we are witnessing the dawn of freedom blowing of the trumpet Messiah caress our ears. (Ibid., P. 12)

The above prayer and hope for the coming of the Messiah and the way to bring freedom to the Jewish nation, the obvious case is pending.

3. The prayer of a Jewish (an expression of lofty ideals prophets and reflections sages and philosophers and imagination of mystics, scholars of Jewish adjust it have and for one it goes back to the first century AD and its current form the 6th or 7th century Under the "NAS Gmsyl" is provided.

Our eyes see you in mercy to Zion (the name of a hill in Jerusalem) opening round.

And in another part of the prayer letter:

A poor captives in foreign lands as slaves from the day they are waiting for you to leave. (Ibid., P. 183)

In the current era of the Jewish community as sacrifices to expect that in total the most complete and original expression of the Messianic expectations Jewish sources of laughter.

Christianity and the expected Messiah

There are many sects of Christianity like any other religion, the three major denominations include "Catholic, Orthodox, and Protestant". Android comeback Jesus - peace be upon him - one of the most important beliefs of the Christian community form. From their perspective, peace be upon him crucified Christ and a witness said. Then the heavens and in the end comes. And the world's brightest and the last savior .chant the Bible says:

God of our fathers that Jesus will raise you crucified and killed him upon his right hand raised to build server and Savior, to give Israel repentance and forgiveness Kansan. (Bible, Acts, vol. 5, p. 31)

In the Gospel of the destruction of Jerusalem and the great tragedies that occur in the world, especially to the Jewish people spoke, and said:

At the time of unrest and disorder in the clouds when the Son of man is revealed special splendor and achieve the prosperous reign of God, who is ever (Devon 2006 p forty-five)

Christianity is about ideas, in the Bible, there are pieces that LED lights are expected among Christians

In the Gospel of Matthew, Chapter 24:

Verily I say unto you: this is not all, this generation will not pass. Heaven and earth will pass away, but my words shall not pass away. But of that day and hour no one notice; not even the angels; but my Father.... But know this that if the Goodman of the house knew in what watch the thief comes at night, stay awake and not let his house his burrow. Aliza you're ready, because at an hour that you do not think, the Son of Man comes. So the faithful and wise servant whom his master appointed over his household, to give them food in due time?.Blessed is that servant like his master, he is so doing. Verily I say unto you that he will put all his possessions. But if that wicked servant says to himself: My lord delays his coming. And begins to beat his fellow and eat and drink with the Gear. Each mirror of that servant comes in a day and at an hour he does not know is not waiting. And he's got two torn hypocrites put in place will be weeping and gnashing of teeth. (Berenjian, 2003, p. 31)

This statement is very clear and unambiguous, referring to the promised world that Jesus - peace be upon him - comes down from heaven and she serves on the pedal. With the clear certainty that the advent of the Messiah, the resurrection is unknown and this is good news that Slam Prophet and Imams - peace be upon them - have said that since the advent of the Prophet of Allah -Lyh rest upon him - is unknown and no one, except God, since it does not know and that sudden moment of picketing and when His Holiness comes, all over the world and the cosmos state drives

In the Gospel of Mark, chapter 13, section 35, it stated:

He (Jesus) was sitting on the Mount of Olives opposite the temple, he asked Sara Pts and James and John and Andrew, tell us that this is indeed the sign of the State Affairs who is?

Jesus answers the same theme above, as it says:

Then see the Son of man coming in the clouds with power and great glory, then his angels to the four directions of the earth to the ends of heaven will provide ... Watch therefore, for you do not know what time The owner comes home in the evening or at midnight, or when the rooster crows, or in the morning, so suddenly, you are asleep. (Development, 2006, p. 46)

The good news, as the previous content, referred to the advent of the Messiah; yet there are a few points in addition:

-Amr The prayer of deliverance: Jesus - peace be upon him - all to pray for his reappearance commands.

- Since the advent of even Jesus - peace be upon him - he does not know.

Islamic traditions that emerge when one knows except God and modify the appearance of a night out.

In Luke 12, 35-40 parts:

Rasht your waist, your lights burning yourselves. And you like the people that will kill his master when he returned from a wedding at any time and are Bib immediately open to him ... TVs said to him, O Lord: Is this parable to us did you or to everyone? He said the foundation is the faithful and wise observer that he's the master of the other self-appointed ministers to the food at the time to divide them? Blessed is that servant whom his master when it comes, finds him so doing! ... But if am a servant in his memoirs says the master takes to the slaves and to eat and drink and Gsarydn start. Verily, the master of that servant comes in a day and at an hour he does not know is that his view and he has got Darn to be traitors. (Berenjian, 2003, p. 33)

This is also good news on the appearance of the Promised One. Read more here, two of the agents of the Imam. Some took advantage of his absence to life and property of others during the attack and thought that maybe he will not, to the prophet misconduct. . And the other to protect the borders of their religion and to provide him during the uprising server

Again in the Gospel of Luke, chapter 21 says:

A massive earthquake and famine in place and Baha arise and terrible things and great signs from people are ... Jerusalem will be trampled by Gentiles until the times of the Gentiles be fulfilled, and signs in the sun, moon and stars will be, and upon the earth distress of nations, there will be surprise for ... and the hearts of people will faint from fear and expectation of the world events that appear and then they will see the Son of man in a cloud with power and great glory comes.... So at any time, pray and keep watch to deserve sure that all these things that will happen, saved and stand before the Son of man. (Ibid., P. 35)

comes with the prayer of deliverance, salvation of intrigue to count the prayers.

The fragment of the Gospel, Christians clearly waiting and preparation for the coming Savior manufacturer and global peacemaker invite them to this point noticed that everyone hopes for the Son of Man has to wake up and be ready and willing accepting him in his cause. And it is also expressly stated that everyone should be waiting for him, Zebra-time appearance is unknown.

Christians to desire the return of Jesus - peace be upon him - with illusions and dates for the event predicted. So many sects emerged. For example, the group "Anabaptist" in the sixteenth century to prepare the ground for the millennial kingdom of Jesus (PBUH) stood up and took some cities for a while, but they were ruthlessly suppressed.

Or speed up the return of the Imam, twelve, but this is also closing not determined. Or that group, "Jehovah's Witnesses" to receive Jesus as -Lyh - and Anya' America Apartment drafted earlier. (Success, promised magazine, No. 17, Article millenarian Christianity, p. 19)

Contemporary Christians

Among contemporary Christians, the desire is still alive. For example:

1. As the number of Christians believe that Jesus will come soon and the government will be formed thousands of years, so long as the Millennium oriented small groups have emerged in Christianity that all attempts and efforts to prepare for the reappearance of Jesus - peace be upon him - in the end they are busy. For example, the cult " seventh day" that were created before 1843 and remain until our time. (Ibid.)

2. One of the Christian leaders of Iran, stated:

Our religion, like most other religions believe in the individual - the reappearance of Jesus (PBUH) says, all Christians have to believe that when Jesus told them the Bible states that Jesus (pub) said: I now I go and I shall return. Even our church one Sunday in his Easter Sunday comeback (the Sunday feast, the Eucharist is at the top of the ritual in which seven Christians eat bread and wine as the body and blood of Jesus (PBUH) , Christians hold the event in Ykshnbha) is called. (Hider, 2001, p. 68)

Believe in the Savior apocalypse, one of Christianity's ancient beliefs and they are waiting reformer capable of at the end.

Savior to all three nations will be times of great lineage. Jews and Christians of the breed, king of Israel, the son of Zoroaster Zoroastrian Sushians. This article described some of the promise of the gospel of eternal and holy books from other religions that all of them with different themes, the great reformer of the world apocalypse promised and clearly testify that the issue of reappearance of Imam Mahdi - Jl God hasten his reappearance - devoted to Islam, but for all nations and peoples, it is certain that no doubt will be realized.
